## ***FAMILY AFFAIRS***

November 2008

It seems almost impossible that we are nearing the end of yet another year. I continue to host "Family Affairs," a call-in radio show which airs Sunday mornings on FM 107.1. The show has expanded into a two-hour format (from 10am to noon) allowing more time to take calls from listeners and speak to invited guests about related topics such as financial planning, mediation, family counseling, etc.

Our goal for this publication is to provide useful information on family law matters. This issue features an article about Divorce Closure Therapy, a fairly new concept to help couples put their children in the "center" and not in the middle of their divorce. Also, there is an article by Rachel McDonough, a Financial Advisor, discussing what to do financially when the dust settles following a divorce.

Please let us know if there are any topics of interest you would like us to discuss in an upcoming issue of *Family Affairs*. Your feedback is always welcome.

We hope that you and your family have fun this holiday season and we wish you all the best in the coming year.

Sincerely,

Jonathan J. Fogel
